

September 1, 2019

Dear Preschool Families,

We are so happy to be back in preschool, and we've had a blast the first couple weeks of school! New friendships are blossoming and everyone is becoming comfortable with the routine.

The students are showing tons of enthusiasm for all types of activities at preschool. I'm enjoying their energy, cooperation and positivity. There were oohs and aahs and squeals of glee as we looked at giant sea creatures on a live webcam from the Atlanta Aquarium. They also have loved examining and sorting beautiful seashells from Mrs. Baker's vast collection.

Our themes for September will be "Apples All Around" and "Dinosaur Days." Our activities and lessons will focus on our monthly "fun"damentals. The fundamentals for this month will be:

- Letters Aa, Dd and Bb

- Number concepts for 1,2,3 and Counting to 20

- Red and Green

- Circle and Sphere

- AB Pattern

We have a spectacular class this year, and I look forward to creating lots of wonderful memories together!

Please feel free to call me with any questions or concerns about your child's progress or adjustments. I am always happy to talk to you.

Very Sincerely,

Chris Woods
